

# Compact Fit Series

400 - 600 VA Off-Line UPS

CoolPower  
Solutions

- Off-Line technology
- Stabilization through AVR
- Very compact size
- Protection for single PC

Model	Compact Fit 400	Compact Fit 600
Advised Protection	Single PC	Single PC
Power	400 VA	600 VA
Technology	Off-Line with AVR	
Nominal Input Voltage	230 V	
Input Range	+-15%	
Input/Output Frequency	50 or 60 Hz	
Input Frequency Range	+-5%	
Nominal Output Voltage	230 V	
Output Voltage Regulation (Line Mode)	by AVR	
Output Voltage Regulation (Backup Mode)	+-5%	
Output Inverter Waveform	Modified Sinewave	
Typical Autonomy	5-20 minutes	
Batteries Type	Sealed lead acid battery, free maintenance	
Batteries Typical Recharge Time	3-5 hours to 90% after complete discharge	
Batteries Positioning	inside	
Cooling	Natural	
Certifications	CE, UL, TÜV	
Environmental Specifications	Temperature: 0-40 °C - Humidity: 0-90% (without condensation)	
Weight (Kg)	6	7
Dimensions (DxWxH) mm	315x180x60	
Number Of Output Sockets	2 (IEC Type)
